script excerpt 1

INT. CHOCOU'S BEDROOM -- EVENING

Chocou throws himself onto his bed and cries.

He sits up, red-eyed.

He envisages the Devil as his father.

He sees a phantom Devil in the room.

His van Goeden pictures have devils with wings like his while the angels' wings are white and fluffy.

He cries into his pillow again.

He locks the door.

He takes off his shirt and bandages and examines his wings.

He tries to knock them off by hitting furniture, it hurts.

He takes hold of them with his hands, they are quite real.

He looks for signs of horns on his head.

He looks in the mirror and imagines himself grown up, the Devil Himself, goatee-beard, horns, cloven hoof, the lot.

He throws himself onto his bed and sobs.

Chocou sits up.

CHOCOU

I am a devil, a demon from hell!

There is a knock at his door.

The DRAGON'S BOY

Angela dismounts; Squig and Blok open the great door.

INT. AURENDARIA KING'S COURT LOLAM -- DAY

Will Bobo sidles up beside Felix in the dim recess.

The executioner raises his axe.

Queen Wadsworth puts her hand on the king's arm.

QUEEN CHARLOTTE WADSWORTH

Wait.

The executioner lowers his axe.

QUEEN CHARLOTTE WADSWORTH (CONT'D)

Remove the sack, we need to see
his head as it comes off.

SIR SCORCHED

Ensure 'The Evil' is purged.

QUEEN CHARLOTTE WADSWORTH

No more devilish tricks.

Pasquale The Blue Squire runs forward and removes the sack.

Princesses Cassandra, Harmonia, Christiana, Philomena and
their two friends huddle in distress.

The executioner raises his axe.

Angela enters.

ANGELA

Stop!

The executioner wavers, Angela strides down the aisle.
